Why work for us?

DIVERSE AND INCLUSIVE ENVIRONMENT

Our Diversity and Inclusion vision goes beyond deriving benefit and impact for our business. We are committed to creating the conditions where all can achieve their full potential. For our senior leaders, diversity is a business imperative. We are proactively building the best global team that can develop solutions from different angles, because of their diverse perspectives, backgrounds and experiences.

EMPLOYEE RESOURCE GROUPS

Employee Resource Groups (ERGs), comprise employees who voluntarily convene and mobilise around a shared characteristic, interest or set of experiences. They connect our people around the world, fostering relationships and rewarding collaborations. Membership is open to all employees to increase their visibility inside and outside of their respective business units, establish and express their unique value and help ensure our differences contribute to the success of our company.

WELLBEING PROGRAMME

We are dedicated to helping our colleagues be their best at home and at work through our holistic approach to wellbeing. BNY Mellon's award-winning Wellbeing Programme provides a variety of options and resources to help our employees improve and maintain their physical health, emotional resilience, financial security and social connections. The programme supports employees with their unique health and wellbeing needs and makes it easier to achieve their goals.

FLEXIBLE BENEFITS PACKAGE

We offer an attractive, flexible benefits package, allowing you to tailor your benefit choices to meet your personal circumstances. These include medical insurance, health screening, pension, life assurance, employee assistance programme, digital wellbeing app, fitness discount programme, on-site childcare and a parental buddy programme, to name a few.
