Servicing the Sustainable Debt Market for Nearly a Decade

One of the market-leading trustees in Sustainable Bonds by deal volume²

2013

- BNY Mellon's entry into the green bond market

2017

- BNY Mellon serviced the first sovereign green bond in Latin America (Republic of Chile)
- BNY Mellon's entry into the social bond market

2020

- BNY Mellon serviced Indonesia's largest bond offering; the bonds are the first to be issued by a sovereign in Asia as a response to the COVID-19 crisis.

2021

- Served as trustee on Connecticut Green Bank's liberty bonds which were modeled after Series E war bonds and are offered to Americans that want to help combat the existential threat of climate change.
